

Annual Review 2019

KINGA AFRICA

You have put a smile on a child's face through your generosity in giving your **TIME, TALENT** and **TREASURE**. As we approach the end of 2019, we are grateful to our partners and supporters. Here's our annual review with highlights on our successful oral health programs within the country. May God richly bless you and merry christmas!

Francis Muthama
CEO

SMILES FOR A LIFETIME PROGRAM

School Health Program (S.H.P) numbers.

The program involves making school visits to sensitize and equip primary school pupils with knowledge on good oral health practices. Brushing kits are issued to the pupils afterwards. This program was implemented in 11 counties.
